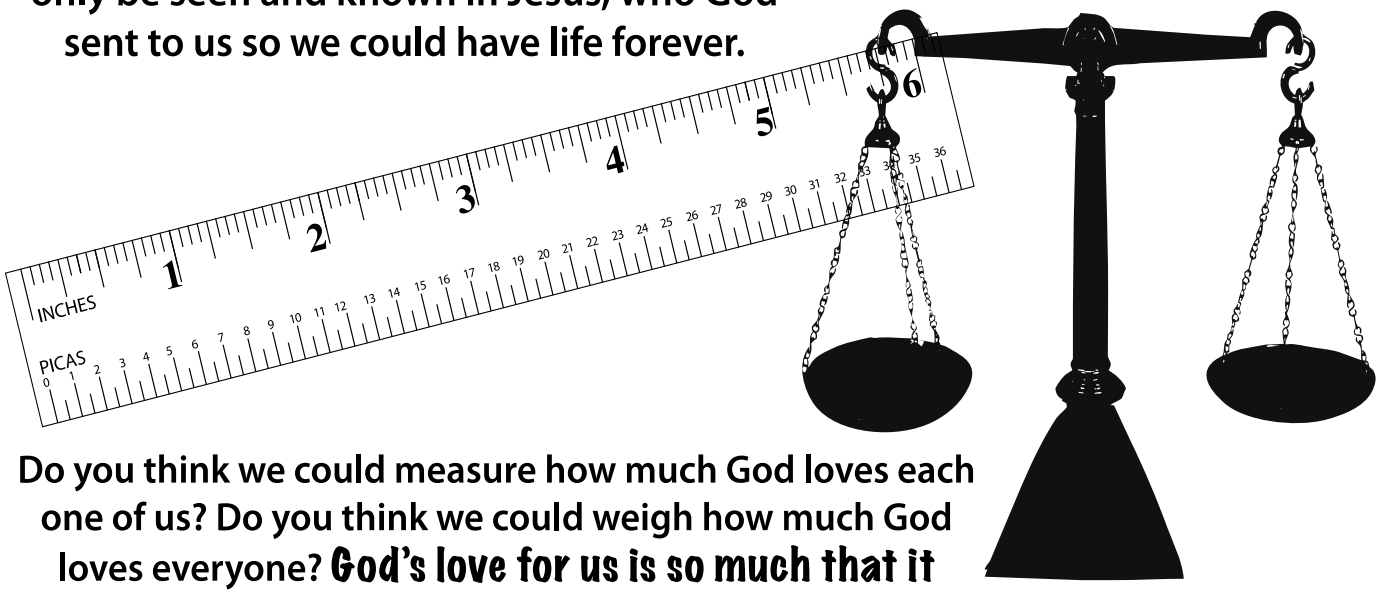
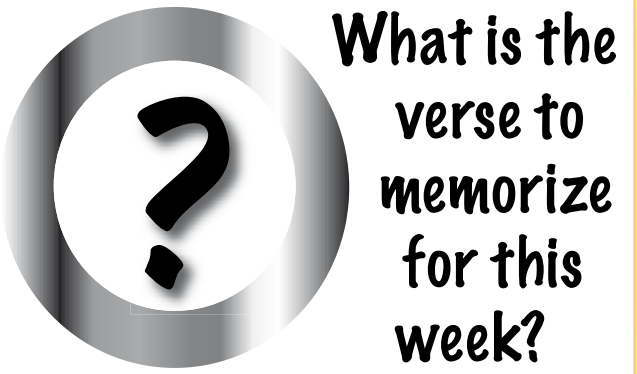
faith overcomes fear: *Romans 8:12-17*

Today's text says that God's love for us can only be seen and known in Jesus, who God sent to us so we could have life forever.



Do you think we could measure how much God loves each one of us? Do you think we could weigh how much God loves everyone? God's love for us is so much that it cannot be weighed or measured.



What is the verse to memorize for this week?

Verse to memorize: John 3:16

"For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life."
